

Tailored Perimenopause Packages

Nourish & Nurture

Your personalised health journey with Lifestyle PeriMenopause

Includes self-paced online modules, quick and easy recipes, and individualised, ongoing assessment and support.

For the **food-loving, health conscious, time-poor** woman.
This **online, on-demand, self-paced program** is for you!

Nourish & Nurture is created by **Dr Shelley Wilkinson**, one of Australia's leading women's health dietitians (30 years' experience, PhD in psychology). It is built to deliver the same outcomes as an individual dietitian appointment.

You'll learn:

- Exactly what your perimenopause nutrition needs are
- How to adapt them to your own life, easily
